

# NUIT BLANCHE

INDEPENDENT  
PROJECTS

2021

at Humber College

Humber  
Galleries

Nuit Blanche Toronto is a free and annual overnight event, produced by the City of Toronto. It creates opportunities for audiences to explore new neighbourhoods and engage with contemporary art in public spaces. Humber Galleries and Humber College Lakeshore Campus is pleased to partner with Nuit Blanche Toronto on this popular event. We invite Independent Project proposals from Humber College staff, faculty, students, and alumni, as well as Toronto-based professional artists, collectives, and arts organizations. We welcome applications from Humber students, but encourage they work under the guidance of a faculty, staff member, professional artist or designer. Proposals should have a strong visual component, be rooted in contemporary art practice, and relate to this year's curatorial theme.

October 2, 2021 marks the 16th edition of Nuit Blanche Toronto and includes a major shift in the curatorial vision of the event. Its theme, *The Space Between Us*, has become even more pertinent during these many months of isolation amidst the COVID-19 global pandemic. Its content and audience participation will inevitably reflect new opportunities and obstacles for artists, encouraging everyone to rethink how we access art installations and collections, without undermining the true value of visitor experience.

All submissions for Independent Projects, whether intended to be exhibited in-person or online, are encouraged. It is also suggested that physical distancing and the ability to pivot to showcase work on an online format be kept at the forefront of mind when producing in-person artwork. Please note, all projects will have to comply with COVID-19 safety guidelines present at the time of the installation, exhibition, and takedown of the artwork.

## HOW TO APPLY

Applications must be submitted by **Sunday, March 21st, 2021 at 11:59 p.m. EST** via email to [stefanie.galvanek@humber.ca](mailto:stefanie.galvanek@humber.ca).
